Curriculum Development - If your answer is SRJC should use a third-party solution please just provide a list of what other CCCs are using for this functionality in conjunction with Banner		
1.	Demonstrate how Courses are entered into the Curriculum module.	
2,	Demonstrate how Programs are entered into the Curriculum module.	
3.	Demonstrate the crosswalk between Courses and Programs (i.e. do certain course changes like unit, title, number automatically reflect in program revisions).	
4.	Are Catalog Addenda offered?	
5	Demonstrate a Course Outline of Record (COR).	
6.	Identify the reports available in the Curriculum module (both internal [similar to our additional fields report] and external reports [i.e. Prerequisite report, Annual Accreditation Report Programs of Study, Annual Report of Programs exceeding 50% online])	
7.	Demonstrate the workflow of New Courses	
8.	Demonstrate the workflow of Revised Courses	
9.	Demonstrate the workflow of New Programs
