

## Session 10b - Finance - Grants Management and Accounting

Date: Thursday, March 31, 2022

Time: 8:00am - 10:15am

Ellucian

	Functionality	Comments
<b>Post-Award (Financial Services)</b>		
1	Demonstrate how pre-award to post-award process flows, including all forms and budget data.	
2	Demonstrate ability to create award and sub-award budgets.	
3	Demonstrate how to transition pre-award gross budgets into line-item detailed post-award budgets.	
5	Demonstrate the ability to track modifications, supplements, and/or competing continuations to current awards allowing for grant history to be maintained.	
23	Demonstrate the inactivation (freezing) or closing of a grant account.	
18	Demonstrate how the system calculates claimable indirect costs.	
22	Demonstrate the calculation of indirect costs, including the following:	
22a	Cost/share transactions	
22b	Transaction-based calculations or those that occur on a monthly basis	
12	Demonstrate Effort Certification (grant deliverables) both for percentage and dollar amounts.	
19	Demonstrate how the system tracks grant restrictions and rules by award.	
17	Demonstrate how the system provides for user defined tracking and reporting.	
20	Demonstrate the invoice process for grant accounts.	

## Session 10b - Finance - Grants Management and Accounting

**Date: Thursday, March 31, 2022**

**Time: 8:00am - 10:15am**

**Ellucian**

	Functionality	Comments
16	Show user-defined fields available for grant agency reporting and coding.	
8	Demonstrate the ability to cross fiscal years and to generate reports that cross fiscal years.	
24	Demonstrate the grants accounting process.	
9	Demonstrate how invoices include payments received and outstanding amounts due by line item.	
10	Demonstrate ability to generate reminder notices to PIs when progress reports are due.	
11	Demonstrate the ability to input due dates when budget submitted and to auto-notify when due dates are approaching.	
6	Demonstrate ability to generate invoices – including inception-to-date totals invoiced and received.	
7	Demonstrate the ability to generate invoice based on expenditures period (e.g., 07/01/22 - 09/30/22).	
4	Demonstrate how line items for contracted services can be tracked by activity type for sub-awardees, (i.e., materials, salaries, etc.)	
15	Demonstrate how the system can send monthly/quarterly/bi-annual reports or warnings regarding under or over expenditure of grants funds specific to line items and/or object codes.	
21	At a high level, demonstrate the system's ability to generate reports that are generally required for the management of grants and contracts.	
25	Demonstrate the ability to run a comparable report with multiple periods (years, quarters, etc)	

**Session 10b - Finance - Grants Management and Accounting**
**Date: Thursday, March 31, 2022**
**Time: 8:00am - 10:15am**
**Ellucian**

	Functionality	Comments
26	Demonstrate the ability to track reporting, duration, and other grant information in the system and export to usable formats.	
13	Demonstrate projection reports:	
13a	Demonstrate "tracking at-a-glance" capabilities to pull various grants or groups of grants and budgets to display expenditures, balances, and variances.	
13b	Demonstrate how the system alerts when maximum percentage amounts are different from approved budget variances.	
14	Demonstrate inception-to-date and year-to-date financial reports for grants	

**Session 10b - Finance - Grants Management and Accounting**

Date: Thursday, March 31, 2022

Time: 8:00am - 10:15am
